PERFORMANCE INCENTIVE PROGRAM

CLASS OF 2014 FINAL NOMINEES

The Performance Incentive Program was launched by the Morgan Weanling Gala with the support of Saddle Horse Report to continue to recognize the get of Gala Nominated Sires and promote these nominated show ring stars each year as they grow into the performance powerhouses and breeding stock of tomorrow.

The Performance Incentive Award will go to the first individual of each class to win a World's Championship in any performance division.
